 - County has begun deliberations for its 2009-2010 budget; all County Departments are cutting back. The Review Board will not be cutting staff or programs, however the proposed budget for Fiscal Year '09-'10 is \$499k, almost a 14% reduction from Fiscal Year 08-09. We will be able to maintain services within proposed budget by maintaining the Special Investigator vacancy and part time rather than full time Administrative support. Staff is exploring options to reduce overhead such as moving into smaller less expensive office space, sharing work space and telecommuting.
